TRANS WEEK OF VISIBILITY EVENTS

..... **FRIDAY, APRIL 2ND**

Trans Feminine & Trans Femme Panel

This intergenerational panel will bring together trans feminine and trans femme folks from Sonoma State and the broader Sonoma County community. Moderated by an SSU student, the panelists will speak about being trans feminine/femme at the intersection of other identities and experiences.

12pm-1:30pm | [Zoom Link](#)

Trans & Gender Questioning Group

Led by students, in collaboration with The HUB Cultural Center, Trans & Gender Questioning group is a space for trans and gender questioning students to find support and community, learn information about trans-specific and affirming resources, and share experiences about gender. Email Jor at grapenti@sonoma.edu with questions.

..... **MONDAY, APRIL 5TH**

Healthy Masculinity Workshop

How do societal roles and expectations influence our relationship to our masculinity? What role does the patriarchy and its byproduct toxic masculinity have in inhibiting our ability to be fully present in the spectrum of our experience and live authentically as men? What insights do trans masculine individuals bring to the conversation of masculinity? We will explore these issues as we look at the concept of healthy masculinity. This workshop is geared toward transgender men, cisgender men, and masculine individuals.

..... **WEDNESDAY, APRIL 7TH**

Transphobia Workshop

Where does the concept of transphobia originate from? How is transphobia especially harmful to those with intersecting marginalization? How can we be better allies to the transgender community? This workshop is geared toward allies interested in learning about the impacts of transphobia. Trans individuals are welcome, although some topics may be triggering for trans folks.
